12 MAY 1948
MUNICIPAL BRANCH

To The Revenue Secretary
Bangalore City,
In connection with papers and report - 3
Dated 8th May 1948

To

Rajasevasakta P Subbarama Chetty,
Minister for City Municipalities and Muzrai,
Government of Mysore,
BANGALORE

Honoured Sir,

I, T Madhava Rao, retired Revenue Officer of the Bangalore City Municipality, beg leave to submit the following few lines for the kind and favourable consideration of Government

1 In the year 1939, when I was working as District Sheristedar of the Deputy Commissioner's Office at Tumkur in the grade Rs 150-25/2-200, I was posted as Special Revenue Officer of the Bangalore City Municipality with the status of an Amildar on my grade pay plus a conveyance allowance of Rs 25/- per mensem for a period of 5 months on the recommendation of the Municipal Council (vide G O No L 6276-79/111 24-38-83 dated 4-2-1939) I joined duty as such, in the Bangalore City Municipality on 23-2-1939 and worked till the end of June 1939, when the Municipal Commissioner and the Council being impressed with my work, both in collection and correspondance work during the period continued me as Revenue Officer in the leave vacancy of Mr M Narasimhaiya, the then permanent Revenue Officer Subsequently he was re-transferred to the Revenue Department on the expiry of leave, and I was ordered to continue as Revenue Officer in his place (vide G O dated 4/6-11-1939) Thus I was the only Revenue Officer to work in the Municipality from 1-7-1939 to the date of my retirement on 25-3-1942

2 I, as such, then made an application to the Municipal Council for the grant of a Duty Allowance and an enhanced conveyance allowance as in the case of the Revenue Officer of the Mysore City Municipality, when the Municipal Council

were pleased to sanction a duty allowance of Rs.25/- and a conveyance allowance of Rs.25/- per mensem with effect from 1-7-1939 I then represented to the Municipal Council that aged as I am, the maintenance of a motor cycle would greatly impair my health, and requested for an enhancement of the conveyance allowance to enable me to keep a car at least as suggested by them. The Municipal Commissioner and the Council were then pleased to make a recommendation to Government for the grant of a conveyance allowance of Rs 50/- per mensem. The Government sanctioned the same and I continued to draw this sum from 1-11-1939 maintaining a car to the date of my retirement, in addition to the Duty allowance of Rs.25/- per mensem from 1-7-1939 (vide G O dated 12-1-1940)

3 I reached my maximum pay of Rs.200/- in the grade Rs 150-25/2-200 on 12-3-1942 and had to draw this maximum sum of Rs 200/- for only 13 days before my retirement, and as such it would not in any way help for earning my enhanced pension I, therefore, applied to the Municipal Council for an extension of service by one year to enable me to secure some enhanced pension But it was most unfortunate that the order of my retirement from the Revenue Commissioner had been received in the Municipality by that time, as I was a lent officer of the Revenue Department and the Municipal Council thought it delicate to make a recommendation for the extension of service prayed for on the face of this order issued by Revenue Commissioner without previous reference to the Council

Thus, as an alternative, the Municipal Council passed a resolution for the grant of 6 months' leave with pay from the date of retirement as a Special case as I could not be allowed to go on leave before retirement owing to my having been placed in charge of the two offices (Revenue office, and the office of the Personal Assistant to the Municipal Commissioner) owing to the Personal Assistant having gone

5

on leave from 2-11-1941, and the question of my appointment as Personal Assistant, and of Mr. Siddalingappa as Revenue Officer recommended by the Municipal Council was pending orders of Government till 23-3-1942, i e , 2 days previous to the date of my retirement, and to the treating of Duty Allowance which I was drawing all through, as Personal allowance for purposes of pension, in order to secure me an enhanced pension and made a recommendation to Government accordingly for sanction. The papers were then returned, to the Council from Government (Local Self Government Secretary's letter dated 6-5-1942) stating that unless the officer had formally applied for leave in sufficient time before retirement and been refused it, or he had ascertained in writing from the sanctioning authority that leave, if applied for, could not be granted then in the interest of work, the proposal to grant 6 months' leave to me after the date of my superannuation was not admissable, and enquiring if the conditions specified above were satisfied in my case &c. On this, the Municipal Council considered the matter at their meeting held on 25-5-1942, i e, 2 months after my handing over charge on my retirement, and passed a resolution as follows - "As Mr Madhava Rao was asked not to apply for leave prior to retirement owing to insufficiency of hands, and as he had to do the work of the offices of both the Revenue officer and the Personal Assistant to the Municipal Commissioner, leave of 6 months as already recommended may be sanctioned to him as a special case" and make a reference to Government for sanction. The Secretary to the Government of Mysore, Local Self Government Department communicated to the Municipal Commissioner in his letter dated 16-7-1942 that I never applied for leave formally well in time before retirement and as I did not also ascertain in writing from the sanctioning authority that leave, if applied for, could not be granted then, I am not entitled to the concession for the grant of 6 months' leave after retirement as recommended by the Municipal Council and (2) that, as regards the treating

of Duty Allowance drawn by me as personal allowance for purposes of pension, Government do not consider it necessary to make a departure from the rules in my case &c.

4. I beg to submit, in this connection, that the Government may well consider as to how I could have applied for leave and obtained permission in writing beforehand as to the refusal of leave &c.? when I was prevented from applying for leave and that further the question or applying Art.147 M.S R. vi Edn. does not arise in my case, as is evident from the clear resolution of the Municipal Council above.

5 As regards the treating of Duty Allowance drawn by me as Personal allowance for purposes of pension, I beg to submit that it would never be a departure from the rules in my case only, as there is already a precedent of the kind as kindly sanctioned by Government in the year 1938 to one Mr. Sarpangi Ramaiya, the then Octroi Superintendent in this very Municipality, on similar recommendation of the Municipal Council.

6 I may, in this connection, be permitted to mention here for the information of Government that the collections were on the steady increase from year to year during the period of my service in the Municipality as can be seen from the figures noted below

Year.	Collections in round figures	Percentage	Remarks
1937-38	3,57,000	47	Before my joining in the municipality
1938-39	4,50,000	51	After my joining duty in the municipality.
1939-40	4,92,000	53	-do-
1940-41	5,05,000	56	-do-

The collectionsduring 1941-42 also were not behind the collections of 1940-41 to the date of my retirement, i.e, 25-3-1942, as compared with the collections of the correspondin period

Extracts from my character Book are also herein enclosed for the kind perusal of Government regarding my work throughout

7. From the above, the Government may kindly see as to how I had to exert in collecting the heavy arrears single-handed. I need not also say how this change of office from the ministerial to the Executive line in my retiring period and that, with the heavy responsibility in the collection work taxed me as the Government is fully aware of the same. If such small concessions at least which I hoped to get and were so kindly recommended by the predecessor City Municipal Council in recognition of the good service rendered by me are not sanctioned by Government, I should only submit that there would be no sufficient reward for the hard work that I had to do and think that I was hardly hit in these hard days of livi

8 I would, in these circumstances, beg leave to approach the Foreign Government with my humble request to kindly reconsider their order conveyed to the Municipal Commissioner in Local Self Government Secretary's letter dated 16-7-1942, and pass favourable orders to sanction (1) 6 months' leave with pay from the date of my retirement, i e , 25-5-1942 and (2) to treat the Deputy Allowance drawn by me as Personal Allowance for purposes of pension as recommended by the City Municipal Council

For which act of kindness and generosity, I beg leave to pray for your long life and prosperity

I beg to remain,
Honoured Sir,
Your most obedient servant,
Purushotama Rao
Retired Revenue Officer,
Bangalore City Municipality
